Testimonial for 3sixty

3sixty have been Bristol International's sole digital marketing agency for the past 12 months and during this time we have been extremely happy with the service provided.

3sixty have quickly grasped our business requirements and developed creative and practical solutions to meet our objectives. Not only have all projects been delivered to agreed timescales and budgets, but have also shown measurable ROI. This has included the successful re-launch of our website, highly effective and targeted PPC campaigns, as well as ongoing projects such as banner advertising and the launch of a new loyalty reward scheme.

I would have no hesitation in recommending 3sixty to any organisation looking to further develop their digital marketing activity.

Yours faithfully
